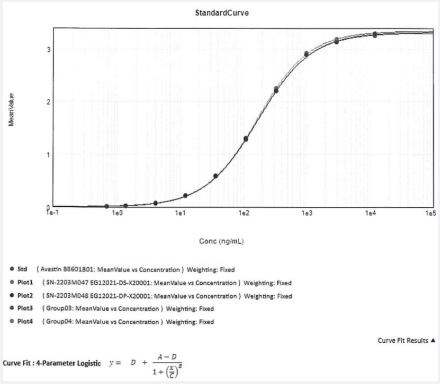
RecomAb™ | *In Vivo* Functional Grade Antibodies

Bevacizumab recombinant monoclonal antibody

Catalog # RAB09557 Size 10 mg

Applications



Enzyme-linked Immunoabsorbent Assay

Standard curve.

Specification

Product Description	Humanized IgG1 monoclonal antibody produced by mammalian (Chinese hamster ovary) cell
Immunogen	Binds to human vascular edotheloal growth factor (VEGF)
Host	Human
Theoretical MW (kDa)	149
Reactivity	Human
Form	Lyophilized
Preparation Method	CHO cell expression system
Isotype	Humanized IgG1
Recommend Usage	ELISA
Storage Buffer	In 50 mM Na-Phosphate, 6% trehalose buffer with 0.04% Tween-20.

Copyright © 2023 Abnova Corporation. All Rights Reserved.

Storage Instruction	Lyophilized form store at 4°C. Liquid form store at -40°C. Aliquot to avoid repeated freezing and thawing.

Applications

- Enzyme-linked Immunoabsorbent Assay

  Standard curve.

Gene Info — VEGFA

Entrez GeneID	7422
Gene Name	VEGFA
Gene Alias	MGC70609, VEGF, VEGF-A, VPF
Gene Description	vascular endothelial growth factor A
Omim ID	125853 192240
Gene Ontology	Hyperlink
Gene Summary	This gene is a member of the PDGF/VEGF growth factor family and encodes a protein that is ofte n found as a disulfide linked homodimer. This protein is a glycosylated mitogen that specifically a cts on endothelial cells and has various effects, including mediating increased vascular permeabil ity, inducing angiogenesis, vasculogenesis and endothelial cell growth, promoting cell migration, and inhibiting apoptosis. Elevated levels of this protein is linked to POEMS syndrome, also know n as Crow-Fukase syndrome. Mutations in this gene have been associated with proliferative and nonproliferative diabetic retinopathy. Alternatively spliced transcript variants, encoding either freel y secreted or cell-associated isoforms, have been characterized. There is also evidence for the u se of non-AUG (CUG) translation initiation sites upstream of, and in-frame with the first AUG, lead ing to additional isoforms. [provided by RefSeq
Other Designations	vascular endothelial growth factor isoform VEGF165|vascular permeability factor
