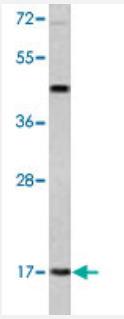
LEP polyclonal antibody

Catalog # PAB4729 Size 400 uL

Applications



Western Blot (Cell lysate)

Western blot analysis of MDA-MB-231 cell lysate (35 ug/lane) with LEP polyclonal antibody (Cat # PAB4729).

Specification

Product Description	Rabbit polyclonal antibody raised against synthetic peptide of LEP.
Immunogen	A synthetic peptide (conjugated with KLH) corresponding to C-terminus of human LEP.
Host	Rabbit
Reactivity	Human
Form	Liquid
Purification	Protein G purification
Recommend Usage	ELISA (1:1000) Western Blot (1:50-100) The optimal working dilution should be determined by the end user.
Storage Buffer	In PBS (0.09% sodium azide)
Storage Instruction	Store at 4°C. For long term storage store at -20°C. Aliquot to avoid repeated freezing and thawing.
Note	This product contains sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which shoul d be handled by trained staff only.

Applications

- Enzyme-linked Immunoabsorbent Assay
- Western Blot (Cell lysate)

  Western blot analysis of MDA-MB-231 cell lysate (35 ug/lane) with LEP polyclonal antibody (Cat # PAB4729).

Gene Info — LEP

Entrez GeneID	3952
Protein Accession#	NP_000221
Gene Name	LEP
Gene Alias	FLJ94114, OB, OBS
Gene Description	leptin
Omim ID	164160
Gene Ontology	Hyperlink
Gene Summary	This gene encodes a protein that is secreted by white adipocytes, and which plays a major role in the regulation of body weight. This protein, which acts through the leptin receptor, functions as part of a signaling pathway that can inhibit food intake and/or regulate energy expenditure to maintain constancy of the adipose mass. This protein also has several endocrine functions, and is involved in the regulation of immune and inflammatory responses, hematopoiesis, angiogenesis and woun d healing. Mutations in this gene and/or its regulatory regions cause severe obesity, and morbid o besity with hypogonadism. This gene has also been linked to type 2 diabetes mellitus developme nt. [provided by RefSeq
Other Designations	leptin (murine obesity homolog)|leptin (obesity homolog, mouse)|obese, mouse, homolog of|obesi ty factor
