

Biotin-SS-Sulfo-Osu

Catalog # U0562 Size 100 mg

Specification

Product Description	Biotin-SS-Sulfo-Osu is used as the biotin labeling agent for the amino groups of proteins such as anti bodies and enzymes.
Theoretical MW (kDa)	606.6900000000001
Form	Lyophilized
Purity	>=80% by HPLC
Storage Instruction	Store at -20°C. Protect from moisture.

Applications

- Purification
