Human CTLA4[Y201V] Overexpression HEK293 Cell Line

Catalog # U1272 Size

Applications

Flow Cytometry

Recombinant CTLA4[Y201V] HEK293 stably expressing CTLA4[Y201V].

Specification

Product Description	HEK293 cell line expressing human CTLA4.
Package	>1x10^6 per vial in 1 mL
Transfected Cell Line	HEK293
Immunogen	CTLA4[Y201V]
Host	Human
Reactivity	Human
Form	Liquid
Recommend Usage	Flow Cytometry
Growth Properties	Adherent
Selection Marker	Blasticidin

Copyright © 2023 Abnova Corporation. All Rights Reserved.

Culture Medium	DMEM + 10%FBS + 5 ug/mL Blasticidin
Storage Buffer	90% FBS+10% DMSO
Storage Instruction	Store in liquid nitrogen immediately upon receipt. Aliquot to avoid repeated freezing and thawing.
Note	FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC PROCEDURES OR THERAPEUTIC APPLICATIONS.

Applications

- Flow Cytometry

  Recombinant CTLA4[Y201V] HEK293 stably expressing CTLA4[Y201V].

Gene Info — CTLA4

Entrez GeneID	1493
Protein Accession#	P16410
Gene Name	CTLA4
Gene Alias	CD152, CELIAC3, CTLA-4, GSE, IDDM12
Gene Description	cytotoxic T-lymphocyte-associated protein 4
Omim ID	123890 140300 275000 601388 609755
Gene Ontology	Hyperlink
Gene Summary	This gene is a member of the immunoglobulin superfamily and encodes a protein which transmits an inhibitory signal to T cells. The protein contains a V domain, a transmembrane domain, and a cytoplasmic tail. Alternate transcriptional splice variants, encoding different isoforms, have been characterized. The membrane-bound isoform functions as a homodimer interconnected by a disulfide bond, while the soluble isoform functions as a monomer. Mutations in this gene have been associated with insulin-dependent diabetes mellitus, Graves disease, Hashimoto thyroiditis, celiac disease, systemic lupus erythematosus, thyroid-associated orbitopathy, and other autoimmune diseases. [provided by RefSeq
Other Designations	OTTHUMP00000163781|cytotoxic T-lymphocyte-associated antigen 4|cytotoxic T-lymphocyte-associated serine esterase-4|ligand and transmembrane spliced cytotoxic T lymphocyte associated antigen 4
