# miRNA First-Strand cDNA Kit

Catalog # KA6541 Size 3 Kits

## Specification

| | |
|---|---|
| **Product Description** | miRNA First-Strand cDNA Kit is designed for reverse transcription of miRNA. |
| **Supplied Product** | Kit content:<br><br>1. miRNA RT Enzyme Mix<br>2. 2x miRNA RT Reaction Buffer<br>3. Rnase-Free dd$H_2O$ |
| **Pack Size** | 25 reactions |
| **Sample Size** | 20 pg - 2ug/ 10 fM - 100 pM |
| **Regulation Status** | For research use only (RUO) |
| **Storage Instruction** | Store the kit at -20°C.<br>For best results, please store the kit components as described in the protocol. |

## Applications

- Reverse Transcription
